8.8 Standard Products

INR Price List No. DFL-12

Effective: 1st April 2022

Limited Warranty And Exclusive Remedy

Deepak Fasteners Limited (DFL) warrants that these products conform to industry standards specified herein and will be free from defects in materials and workmanship. This warranty is expressly given in lieu of any and all other express or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, and in lieu of any other obligation on our part of DFL will at its option, repair or replace free of charge (excluding all shipping and handling costs) any products which have not been subject to misuse, abuse, or modification and which in its sole determination were not manufactured in compliance with the warranty given above.

The remedy provided herein shall be the exclusive remedy for any breach of warranty or any claim arising in any way out of the manufacture, sale or use of these products. In no event shall Deepak Fasteners be liable for consequential, incidental or any other damages of any nature whatsoever except those specifically provided herein for any breach of warranty or any claim arising in any way of the manufacture, sale or use of these products. No other person is authorised by Deepak Fasteners to give any other warranty, written or oral, pertaining to the products.

Disclaimer

All information contained in this pricelist has been prepared to assist users in their requirements for Fasteners. The information is based on International Fastener Standards. All such source material and information beyond the control of Deepak Fastener Limited (DFL) is subject to change.

Whilst every care has been taken to ensure that all information and technical data is accurate, DFL will not be liable to any customer that relies on any matter, fact or representation nor will it be liable for any subsequent damage or loss resulting from the use of any information contained in this pricelist. Customers are advised to make their own enquiries or seek independent advice regarding the fitness and suitability of the products listed.

Deepak Fasteners Limited has the right to change the price without any information, if there is a big change in the price of steel or zinc. No guarantee can be given for DFL (hex bolt & nut) products which are plated by users and/or outside plates, who may not have considered hydrogen embrittlement problem. The products listed in this pricelist might not be stocked at DFL at all times and customers are advised to enquire the availability of the same.
E. & O. E.

Note

- Surface Finish : All the products, unless otherwise ordered, are supplied in black thermal finish with a coat of rust preventive oil.
- Packing : All products are supplied in standard packing as described in respective price tables. For sizes M6 (1/4) and above 3% extra packing charges will be applicable if the order quantity is less than one carton.
- Plating : No guarantee can be given for DFL products which are plated by users or by outside plates, who may not have considered hydrogen embrittlement problem.
- Pricing : GST extra as applicable.

Delivery:

All offers for delivery from stocks are subject to goods remaining unsold at the time of receipt of order. For forward delivery, dates are given without any guarantee and no responsibility can be accepted by the company for delay in delivery or failure to deliver due to circumstances beyond the company's control.

Infringement of patent and trade mark:

When products are forged to customer's drawings and / or specifications, the responsibility to ensure that these do not result in infringement of any patent or trademark will lie entirely with customer concerned and the customer will be solely responsible for the consequence in case of any such infringement.

Order confirmation:

The company accepts no responsibility for orders booked by the company's salesman or representatives, till it is confirmed in writing by the company.

Acceptance and return:

Wrong dispatches should be notified to the company within 15days from the date of receipt of goods and the Company's consent should be obtained in writing before return of such goods.

Force Majeure:

The company shall not be responsible for failure or delay in delivering the goods or any part thereof (or any consequential damages) due to acts of God, enemies of the Government of India, wars, revolution, embargo, riots, civil or political disturbances, strikes, lock-outs, stoppages of labour.

1. **Specifications** Generally conforming to IS1364, ISO4014, 4017.

2. **Threads** ISO Metric 6g as per IS per IS4218.

3. **Material Mechanical Properties** Property Class 8.8 as per IS1367.

4. **Note** Sizes in brackets are non-preferred standard.

Prices for fully threaded screws beyond shaded sizes will cost 10% extra.

* Long Delivery Items - Subject to extended deliveries (3 to 4 months)

Users are advised to plan their requirements in advance.

5. **Marking** DFL 8.8

6. **Plating** No guarantee can given for DFL products which are plated by users or by outside plates, who may not have considered hydrogen embrittlement problem.

10% will be Charged Extra For Zinc Cr3+Plating

7. **Pricing** GST extra as applicable.

Grey highlighted items are full threaded

Recommended Retail Prices in Rupees per 100 Pieces Exclusive of GST

Toll Free: **1800 102 3911**

- All material is bulk packed
- Minimum order quantity is one carton for each size.

Specialized Coatings

The product's life and quality is measured not only by its grades and standards but also by its finish, which prevents it from rusting and adds strength to the material.

Deepak Fasteners offers a wide range of generic and proprietary coating to meet exacting customer requirements. In-house capability includes Zinc / Zinc-Nickel Electroplating, Geomet, Mechanical Galvanizing, Delta Dorcken, Hot Dip Galvanizing, PTFE, Unbrako Wiscoat.

Recommended Retail Prices in Rupees per 100 Pieces Exclusive of GST

Construction Fasteners

Arc Welding Stud

The UNBRAKO Arc Welding Stud also known as shear connector is used in the construction of tall buildings, bridges and steel structures. The drawn-arc process produces a full cross-sectional weld forming a bond that is greater than the surrounding material. It improves the strength of the structure.

Product Range :
Metric: M13, M16, M19,
M22, M25 – Any Length

Inch: 1/2", 5/8", 3/4",
7/8", 1" – Any Length

Direct Tension Indicator

UNBRAKO Direct Tension Indicator also known as Auto Torque Indicator, are single-use mechanical load cells designed to indicate the magnitude of preload in the assembly. It shows if the bolt is properly tensioned, very useful while tensioning High Strength Structural Bolts.

Product Range :
Metric: M16 – M36 as per
BS EN 14399-9
Unbrako Feeler Gauge is
available to check if the
required torque is achieved.

Tension Control Structural Bolt

Tension Control Structural Bolt is an easy to install Heavy Duty Bolt used in Steel Frame Construction. It has its own built-in torque control device. The outer socket of wrench rotates the nut until the torque control groove in the spline shears off, thereby achieving proper bolt tension.

Product Range :
Metric: M12 – M30
(any length) – As Per
BS EN 14399 - 10

Unbrako Electric Shear
Wrench is also Available.

Rebar Coupler

Unbrako Rebar Coupler Systems, also known as Reinforcing bar couplers or coupler splicing connection, is a threaded sleeve that guarantees an ultimate tensile strength of the splice (joint) greater than that of the parent bar. Coupler splicing system is suitable for joining reinforcement bars end to end.

Product Range :
Metric: 13mm to 57mm
Bar Diameter

As per ASTM A615, ASTM A706,
ASTM A775, ACI 318, ACI 349,
A.A.S.H.T.O and UBC 1997.

Unbrako provides complete
equipment for bar-end
preparation on site.

Prices available on request.
Contact Unbrako for further detail.
